There are no late payment charges on the overdue trade receivables as our Group does not impose late payment charges. The management of our Company has and will continue to meet and discuss with the relevant Related Parties to pursue for early settlement of the outstanding amounts due. Our Board Audit Committee and our Board have reviewed the outstanding amounts and are of the opinion that the outstanding amounts were part of normal business operations of our Group and are recoverable. In addition, our management is of the view that the Related Parties are long term business counter-parties and have sound credit standing.

2.6 Review Procedures for RRPTs

To ensure that the RRPTs are entered into on an arm's length basis, are on terms not more favourable to the Related Parties than those generally available to the Public and are not detrimental to the minority shareholders, our Board Audit Committee has been tasked with the review and approval of such transactions.

We have established the following procedures and guidelines for the review and approval of the RRPTs.

- (i) A list of Related Parties is established and made available to the Related Party Review Committee chaired by the head of financial control of CelcomDigi Group, who shall monitor and ensure that all RRPTs to be entered into by us or our subsidiaries are required to be undertaken on an arm's length basis, on terms which are not more favourable to the Related Parties than those generally available to the Public, and which are not to the detriment of our minority shareholders.
- (ii) The processes and procedures are in place to ensure RRPTs are entered into after taking into account the pricing and contract rates, terms and conditions, level of service and expertise required, and the quality of products and services provided, are comparable to the prevailing market prices and rates, industry norms and standards, as well as general practices, adopted by the service providers of similar capacities and capabilities generally available in the open market.
- (iii) Process and systems are put in place to ensure proper records and supporting documents of the RRPTs are maintained so that all RRPTs entered into pursuant to the shareholders' mandate for submission to the auditors, Board Audit Committee and relevant authorities, where required, for review.
- (iv) Disclosures will be made in the annual report of the breakdown of the aggregate value of RRPTs pursuant to the shareholders' mandate during the financial year, amongst others, based on the following information:
 - (a) the type of the RRPTs made; and
 - (b) the names of the Related Parties involved in each type of the RRPTs made and their relationship with the Company.
- (v) All RRPTs are presented at our Board Audit Committee meetings. Our Board Audit Committee has the right to access information concerning our Related Parties and is entitled to the services of any independent adviser, if required, for the discharge of its duties.
- (vi) Our Board and Board Audit Committee have overall responsibility for determining whether the guidelines and procedures on the RRPTs are appropriate and sufficient. Arising from business needs, a review of the RRPTs processes and procedures will be carried out by our Board through the Board Audit Committee. If, during the review, the Board and the Board Audit Committee are of the view that the RRPTs processes and procedures are:
 - (a) no longer valid; or

- (b) insufficient to ensure that the RRPTs are made on arm's length basis or on terms not more favourable to the Related Parties than those generally available to the public and not to the detriment of our minority shareholders,

then, they shall have the discretion to change, vary, modify existing guidelines and procedures, or implement new or additional guidelines and procedures, provided that such amended, varied, modified, new or additional guidelines and procedures are no less stringent than the existing guidelines and procedures.

- (vii) At least two (2) other contemporaneous transactions with unrelated third parties for similar or substantially similar services will be used as comparison, whenever practical or possible, to determine whether the price and terms offered to or by the Related Parties are fair and reasonable and comparable to those offered to or by other unrelated third parties for the similar or substantially similar type of services. Where quotation or comparative pricing from unrelated third parties cannot be obtained, prices are determined based on market knowledge and on normal commercial terms in accordance with our Group's policies (which require amongst others) that transactions with Related Parties are undertaken on an arm's length basis and are not detrimental to CelcomDigi Group.
- (viii) Where any of our Board or our Board Audit Committee members has an interest (direct or indirect) in the RRPTs, he must declare his interest in the RRPTs and abstain from participating and deliberating in the decision of the Board or the Board Audit Committee on the said RRPTs.
- (ix) There is no deviation of 10% or more between the aggregated actual value transacted of the Recurrent Related Party Transactions and the aggregated estimated value pursuant to Paragraph 10.12 of the MMLR.

Subject to our Group's related parties transaction manual and limits of authority, RRPTs are reviewed and considered by our Board Audit Committee and are recommended to the Board for approval.

2.7 Statement by the Board Audit Committee

The Board Audit Committee have seen and reviewed the procedures stipulated under Section 2.6 of this Circular and is satisfied that the review procedures for the RRPTs are sufficient to ensure that the RRPTs will be carried out on normal commercial terms which are not detrimental or prejudicial to the interest of minority shareholders and the terms of the RRPTs are not more favourable to the Related Parties than those generally available to the Public.

The Board Audit Committee are of the opinion that the CelcomDigi Group has in place adequate procedures and processes to monitor, track, and identify RRPTs in a timely and orderly manner. The Board Audit Committee shall annually review the RRPTs and the procedures mentioned in the preceding paragraphs to ascertain the compliance by the Company.

3. RATIONALE AND BENEFITS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The rationale for and benefits of the Proposed Renewal of Shareholders' Mandate to the Group are as follows:

- (a) The Proposed Renewal of Shareholders' Mandate will facilitate transactions that have been and will be entered into with the Related Parties which are carried out in the ordinary course of business of the Group and are mainly for the support of the Group in its day-to-day operations. These transactions are made on an arm's length basis, on normal commercial terms and on terms which are not more favourable to the Related Parties than those generally available to the Public and are not detrimental to the interests of the minority shareholders.

- (b) The Proposed Renewal of Shareholders' Mandate will enhance the Group's ability to pursue business opportunities, which may be time-sensitive and frequent in nature, and it may be impracticable to seek shareholders' approval on a case-to-case basis before entering into such RRPTs.
- (c) The Proposed Renewal of Shareholders' Mandate will eliminate the need to make regular announcements or convene separate general meetings from time to time to seek shareholders' approval as and when the potential RRPTs arise, thereby reducing substantially the administrative time and cost associated in convening such meetings without compromising the corporate objectives of the Group or adversely affecting the business opportunities available to the Group.

4. CONDITION FOR THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The Proposed Renewal of Shareholders' Mandate is subject to the approval being obtained from the shareholders of the Company at the forthcoming 27th AGM.

5. EFFECT OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The Proposed Renewal of Shareholders' Mandate is in relation to transactions which are of a revenue or trading nature and which form an integral part of our Group's day-to-day operations and hence, they contribute to our financial performance. The Proposed Renewal of Shareholders' Mandate will not have any effect on our issued share capital and our substantial shareholders' shareholdings in our Company. In addition, the Proposed Renewal of Shareholders' Mandate is not expected to have any material effect on our consolidated NA and consolidated earnings for the financial year ending 31 December 2024.

**(a) Main Suit 1: Kuala Lumpur High Court Suit No. D1-22-1960-2008
Celcom and Celcom Resources (formerly known as Technology Resources
Industries Berhad) vs TSDTR & 7 Others- Conspiracy Suit**

On 24 October 2008, Celcom and Celcom Resources (also known as “**Plaintiffs**”) commenced proceedings in the High Court of Malaya in Kuala Lumpur against its former directors, namely (i) Tan Sri Dato’ Tajudin Ramli (“**TSDTR**”), (ii) Dato’ Bistamam bin Ramli (“**DBR**”), (iii) Dato’ Lim Kheng Yew (“**DLKY**”), (iv) Axel Hass (“**AH**”), (v) Oliver Tim Axmann (“**OTA**”), (vi) DeTeAsia Holding GmbH (“**DeTeAsia**”), and (vii) Beringin Murni Sdn. Bhd. (collectively referred to as “**Defendants**”).

The Plaintiffs are seeking damages for conspiracy. The Plaintiffs claim that the Defendants wrongfully and unlawfully conspired amongst each other to cause financial injury to the Plaintiffs by causing and/or committing the Plaintiffs to enter into the Supplemental Agreement to the Subscription Agreement and the Management Agreement dated 7 February 2002 (“**2002 Supplemental Agreement**”) and the Amended and Restated Supplemental Agreement dated 4 April 2002 with DeTeAsia (“**ARSA**”) which entitled DeTeAsia to renounce its right shares in Celcom Resources. Consequently, DeTeAsia exercised its renunciation of certain rights issue shares in favour of TSDTR and DBR at a significantly higher price than the prevailing value of the shares at that time.

On 23 June 2016, TSDTR and DBR, filed a statement of defence (“**Defence for Main Suit 1**”) and counterclaim against the Plaintiffs seeking among others:

- (i) payment of the sum of RM6,246.492,000.00 or alternatively the sum of RM7,214.909,224.01 together with interest, being the same amount claimed by TSDTR in a separate counterclaim filed in the Kuala Lumpur High Court Suit No. D2-22-673-2006 (known as the Danaharta Suit) which was subsequently withdrawn pursuant to a purported global settlement agreement which did not include the Main Suit 1 (“TSDTR and DBR’s Counterclaim against Main Suit 1”);
- (ii) pay all sums received by TM and Telekom Enterprise Sdn Bhd (“**Telekom Group**”) from dividends and other payments from the Plaintiffs to be assessed;
- (iii) withdraw all pending suits without liberty to refile and no order as to costs;
- (iv) restraint from executing judgment procured from the pending suits;
- (v) indemnify TSDTR and DBR against all liability, payments, loss, and damages incurred or suffered as a consequence or in relation to the pending suits;
- (vi) punitive, aggravated, and exemplary damages to be assessed for malicious prosecution; and
- (vii) interest and costs.

On 30 June 2016, AH, OTA and DeTeAsia filed their respective defences.

TM filed an application to intervene in the Main Suit 1 in light of the allegations made against TM in TSDTR and DBR’s counterclaim against Main Suit 1.

Following the decision of the Court of Appeal on 4 May 2017 in allowing TM’s appeal to be added as a defendant to TSDTR and DBR’s Counterclaim, TSDTR and DBR filed an application to amend their defence and counterclaims on 19 May 2017 which was dismissed by the High Court on 29 June 2017. - (ii) Damages for various breaches of fiduciary duties committed by them in relation to the entry into the Subscription Agreement and the ARSA
- (iii) The unauthorised profits claimed to have been made by TSDTR, amounting to RM446.0 million
