Subang Jaya, 19 June 2018 - Digi.Com Berhad (Digi) announced today that its Chief Executive Officer Albern Murty will join Telenor Group's Executive Management team as EVP for the Developed Asia cluster. Albern continues as Digi's CEO and will now additionally oversee Telenor's operations in Thailand and Malaysia. This appointment takes effect on 1 August 2018.

The cluster role means Albern as Digi CEO will be represented in the Group Executive Management of Telenor, speaking on behalf of the Developed Asia cluster - Thailand and Malaysia. Albern's main priority will continue to be the performance and value creation of Digi, but he will work closely with the dtac team to develop initiatives of common value and interest, aligned with the business archetype shared by the two business units.
